

SYSTEMTHREE®

PREMIUM ADHESIVES & COATINGS

Suggested Retail Price List, effective May 2, 2011

Subject to change without notice. This price list supersedes all previous price lists.

System Three Resins, Inc.
3500 West Valley Highway North
Suite 105
Auburn, WA 98001-2436
www.SystemThree.com

Freight Policy

All items are sold F.O.B. Auburn, WA. Actual freight charges will be added to all invoices with a \$10.00 minimum regardless of invoice size. A handling charge of \$5.00 plus actual freight charges are billed on air shipments (Next Day Air, Second Day Air, and Three Day Select). Phase Two, SB-112, Clear Coat, MirrorCoat, SilverTip Laminating Resin, GelMagic, EZ-Fillet & QuikFair, and Varnish incur an additional hazardous charge if they are shipped via air. The choice of freight carriers is solely that of System Three Resins, Inc. The main choices are FedEx, UPS and the U.S. Postal Service. For large orders, System Three will select a trucking company. Shipments are generally sent freight prepaid with charges added to the invoice. However, if the customer has an account with a trucking company, System Three can ship collect using their account number.

International Orders

System Three Resins has several dealers in Canada and abroad. We encourage our customers to do business with these dealers. Please check our website or call customer service at 1-800-333-5514 and ask for the name of the dealer nearest you. Doing business locally will avoid direct payment of brokerage and other import fees and might actually save money over buying direct. System Three will sell directly to international customers whenever the customer so desires. Please make payment in US funds via wire transfer, VISA, Master Card, American Express, or Discover. The customer is responsible for any brokerage charges, duty, taxes, etc.

How To Order

Phone Orders

Call our order desk at 1-800-333-5514 Monday through Friday 7:00am to 4:00pm Pacific Time. This number is for orders only. For technical and application information call 253-333-8118.

Fax Orders

Our fax machine works harder than we do. It's on call every day, 24 hours a day at 1-800-361-7026.

Mail Orders

Address all mail orders to our address above. Please include your daytime phone number with your order.

Email Orders

Electronic orders may be sent to sales@systemthree.com or online at www.systemthree.com

How To Pay

The preferred method of payment is by VISA, Master Card, American Express or Discover. Personal checks, company checks and money orders are accepted on all domestic mail orders. In lieu of COD, we offer electronic funds transfer, call for details.

Shipping Schedule

Orders received by 12:00 noon Pacific Time are generally shipped the following business day.

What To Do if Your Order Arrives Damaged

Packages showing minor damage should be accepted. Refuse your shipment if it appears to be greatly damaged or leaking. If FedEx leaves it for you in this condition, call your local FedEx office and refuse it. Your refusal of a damaged package preserves System Three Resins' right to help us get your money back or your merchandise replaced. Note all damages on your delivery receipt or bill of lading. Notify us of the damage and we will handle the claim from our end, adjusting the claim to your satisfaction.

What To Do If Your Order Is Not Complete

FedEx, UPS and the Postal Service treat all individual packages as separate shipments. In some cases multiple package shipments will arrive over a period of three days. If your order is one or more cartons short, allow a day or two for the balance to arrive, and then give us a call if it is still incomplete. Claims for incomplete shipments or missing items will not be honored beyond 30 days of invoice date.

Returns Policy

Returns will not be accepted without prior authorization. Cut lengths of fiberglass and custom tinted paints will not be accepted for return. A restocking charge of 20% is charged on all returnable merchandise. Returns shipped freight collect or without a return authorization will not be accepted. No returns or adjustments will be made after 30 days from invoice date. Shipments returned to us because the carrier is unable to deliver to the address provided by the customer will be charged the standard 20% restocking fee unless the goods are reshipped at the customer's expense.

Technical support

Technical support is available in several ways. The Epoxy Book along with our Product Data Sheets, provide the answers to most questions. Download them from our website www.systemthree.com or call our order department at 800-333-5514 and we'll send them to you. In addition, our website has many answers to questions on our FAQ pages. If you don't find answers this way, go to the Support tab on our website and complete the form or, call our technical support voice mail line at 253-333-8118 and leave a short message along with your contact information and we'll call back with the epoxy information you seek.

Material Safety Data Sheets (MSDS)

Material Safety Data Sheets are available on our website for your convenience. If you don't have web access, call our technical support department at 253-333-8118 and request the MSDS you need by fax or mail.
